Work to Start Saturday on Toys Donated to Camp Fire Girls' Drive

A large number of toys are being given to the Hamlin Camp Fire Girls to be prepared for needy children at Christmas.

Work will begin on the toys in the Albritton Building on South Central Saturday afternoon. All volunteers who can help with the project even though they are not involved with Camp Fire are urged to attend.

A great need will be dressing dolls. Anyone who can pick up dolls to be dressed are asked to do so Saturday afternoon.

Mrs. Miller Harmon, chair-

man of the project, reminds that there are only four more weeks until Christmas and all the help that they can get will be needed. Those unable to be at the work session Saturday may contact Mrs. Harmon or Mrs. Roy Thompson to pick up toys to be repaired at their convenience.

Another needed item mentioned by Mrs. Harmon was odds and ends of paint that could be used to touch up the toys. Extra wheels, axles and other items which can be used to repair wheel toys would also be appreciated.

Rev. Byron Bryant to Lead First Baptist Revival; Opens Sunday

Sunday, Nov. 29, will initiate the first of a series of services conducted at the First Baptist Church of Hamlin as the first revival meeting under the leadership of Rev. Byron Bryant, pastor, and Bill Keek, minister of music and education. These men will do the preaching and direct the music respectively. Both assumed full-time duties here Oct. 1.

Rev. Bryant came here from the position as director of religious activities at Hardin-Simmons University. He served previously as pastor at Stamford and Breckenridge.

Keek accepted the work here upon completion of his degree at the Golden Gate Baptist Seminary in California. He is a graduate of Hardin-Simmons and a native of Seymour.

Services will be conducted daily Monday through Friday at 9:30 a.m. and 7:30 p.m. Also Saturday night services will be held at 7:30 with no morning meeting that day. Sunday services Dec. 6 will conclude the meeting.

Special events during the revival will include noon fellowship luncheons at the church consisting of covered dishes brought by each person attending. These will follow morning visitations.

A breakfast for the youth will be served Wednesday morning at 7:00. This will be provided by the church and all high school students are invited.

A special objective for attendance during the meeting is the enlistment of the membership in attendance. All members are requested to have at-

tended during the series of services. Registration of attendance will be taken to determine the percentage of members present during the meeting.

The pastor, Rev. Byron Bryant, indicated interest in participation on the part of the community and other churches. He said, "I am looking forward to this opportunity of becoming better acquainted with our own members and especially other people of the community who share a common interest in spiritual development."

Seminar on National Security To be Held at Hardin-Simmons

An informative seminar on National security, reporting U. S. strengths and weaknesses, threats to the Free World, and problems of survival is planned December 7-18 at Hardin-Simmons University in Abilene.

Only scheduled one in Texas this year, the two-week lectureship is given by highly-qualified military officers. Open to everyone, the seminar is an updated version of one given in Odessa during 1963.

More than 200 persons have already registered, with spaces left for possibly 1300 more attendees.

No secret or classified information is divulged but studies cover a broad field. Countries and continents discussed will include Captive Europe, Russia, Africa, the Far East, and Free Europe.

The course is a two-week condensation of the ten-month school given in Washington D. C. for selected officers by the Industrial College of the Armed Forces.

Lecturers are drawn from the Air Force, Army, Navy and Marine Corps. Facts disclosed during earlier forums this year include:

Sixty-two cents of each budget dollar goes to finance national security. In hard cash that's \$51 billion for the military and \$10.2 billion for military assistance, NASA, Atomic Energy Commission, international programs and space.

A defensive weakness of the U. S. lies in its population concentration—four out of five persons live in the cities.

Also, seventy-one per cent of our defense production is sited within fifty cities.

Mr. and Mrs. Bob Craig were in Lubbock over the week end for Mr. Craig to attend a board of directors meeting of the West Texas Press Association Sunday afternoon. He is second vice president of the association.

Ned, Hawley, Clyde, Canutillo, Haskell, Sundown, El Dorado and Lueders.

A partial summary of the contending teams was as follows: Heading the list for en-

David Bonds in Who's Who

David Bonds, a McMurry senior from Hamlin, has been chosen as one of twenty-seven students to be listed in "Who's Who Among Students in American Universities and Colleges."

Bond's a P. E. and history major, is the son of Mr. and Mrs. L. C. Bonds of Hamlin. At McMurry, Bonds is active in Football and track.

Mr. and Mrs. Norman Current and two children visited in the home of Mr. and Mrs. J. C. Dawkins last week end. They have just returned from Germany and are on their way to Okinawa.

Mr. and Mrs. Dan Truelove, Daniel and Tony visited her parents, Mr. and Mrs. G. W. Burt of Midland this week end. Tony remained with his grandparents to visit until Thanksgiving.

tries this year is coach L. B. Howard's fine Baird High School team, which captured the state class A title last season, and Coach Ralph Newton's top Trent High School team, which returned from Austin with the state class B championship last year. These teams met in the Dyess 1963 finals. Baird won 59-57 in the last seven seconds.

Sundown High School, only contender to take a Dyess championship two times, returns for a third title attempt. Sundown did not participate in 1963, because of a schedule conflict. Sundown captured the state class A championship for three years in a row, took the Dyess title in 1961 and 1962.

Newcomers in the Dyess 1964 event will be Canutillo High School, from the El Paso area, and regional finalists at Lubbock last year; Lueders High School, which captured fourth place in Class B action last year, and El Dorado High School, 1963-64 bi-district class A champions.

Eleven of the teams participating at Dyess this year won their conference title last season. Mildren stated, and four participated in the state basketball tournament at Austin. The outlook for Dyess was such that "No other tournament in the state can boast such a lineup of star players and teams."

Mrs. Mary Wright of Holiday Lodge was visited during the week end by five of her seven children for an early Thanksgiving gathering. The visitors included Mr. and Mrs. L. D. Wright of Abilene; Mr. and Mrs. Willis Wright of Odessa; Mrs. Winnie Seiffes of Odessa; Mr. and Mrs. Boss Smith and Jackie of Hamlin and grandchildren; Mrs. Gerald Martin and children of Odessa; Mrs. Carol Phipps and boys of Abilene and Mr. and Mrs. Ronnie Wright of Odessa.

THANKSGIVING DAY 1964

LET US GIVE THANKS FOR THE BOUNTY OF THIS GREAT LAND

OLD GLORY ...

By JUDY WHITE
Remarkable interest was shown in the Adult Education Class conducted by Betty Sadberry, Old Glory School Homemaking teacher, when 26 ladies were present at the first meeting last Thursday, Nov. 19.

Only eight girls were enrolled in Homemaking in Old Glory High School when upon the advice of a representative of the Texas Education Agency, Miss Sadberry decided to utilize her extra time with an

adult class.
Classes are held every Thursday from 2:30 to 4:30 p.m. Last week the group learned how to make a wide variety of very attractive decorations for Christmas. The next class will be held on Dec. 3. At that meeting Miss Sadberry plans to show the group various ways to wrap Christmas packages.

The Old Glory community was represented by Allen Dav-

kell where Dr. B. W. Musgraves of the Texas Education Agency, explained the mechanics of establishing a public junior college for the four county area consisting of Haskell, Stonewall, Knox and Throckmorton counties.

Wet weather prevented members of the county board and other interested citizens from attending the meeting, but a meeting will be held here in the county soon.

Mr. and Mrs. Joe Jones moved to Aspermont last Friday. They have lived in this community for many years and we regret very much to lose this fine couple.

Welcome rains fell on the Old Glory Community last week. About two inches fell here.

Mrs. Katie Gerloff is in Abilene this week visiting her son and wife the Raymond Gerloffs. She plans to spend Thanksgiving holidays there.

Travis Beil has returned from Ft. Worth. He was called there to be with his niece, the former Mary Nix Shield, who underwent brain surgery for removal of a tumor. Mr. Beil reported that his niece's operation was a success and she is recovering satisfactorily.

Mr. and Mrs. R. L. Snider and son, Scottie, of Lubbock, have been visiting their relatives, the A. R. Sawyers family, and others. They returned home Sunday afternoon.

BASKETBALL
Old Glory basketball teams swept two double victories from Noodle last week. On Tuesday night, here in the local gym, our boys won 60-39 and the girls 82-23.

On Friday night our teams went to Noodle and were again victorious.

LET'S NOT FORGET THIS ...

"And she shall bring forth a son, and thou shalt call his name Jesus: for he shall save his people from their sins." Matthew 1:21.

For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

"For God sent not his Son into the world to condemn the world, but that the world through him might be saved." John 3:16, 17.

We invite you to celebrate the birth of our Saviour by attending church this week, and by spreading good will everywhere you go.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Kimi Mehaffey Elected President Smiling Blue Birds

Kimi Mehaffey was elected president of the Smiling Blue Birds at their meeting Nov. 17. Other officers elected were Rebecca Server, secretary; Vickie Ponder, reporter; Jacques Preiss and Lynda Harrison, clean-up committee.

Elections are held every six weeks in order that the girls are given equal opportunity to hold a position of responsibility and to learn accordingly. Refreshments were served before the election by Mrs. Doyle Ponder. Games were played to conclude the meeting.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — International attention came to Austin as Pres. Lyndon B. Johnson carried on the nation's business while resting from his campaign. President-elect Gustavo Diaz Ordaz of Mexico flew in for formal discussions at the LBJ Ranch. President and Mrs. Johnson arranged a barbecue in appreciation of the strong support given his candidacy by Americans of Mexican ancestry. Latin-Americans from Texas, New Mexico, California, Kansas, Oklahoma and Louisiana were invited to the affair. Heaviest representation came from cities of South Texas where LBJ majorities were rolled up. Top business leaders from Houston, Dallas, San Antonio and Los Angeles also were on the select lists of guests. All were entertained by Milton Berle, Eddie Fisher and Gene Autry. Also by Clint Harlow's sheep-dog troupe and a bevy of Mexican musicians and singers. There was talk of a possible change in a cabinet post vital to Texans — that of secretary of agriculture.

If Orville Freeman should be named senator from Minnesota to replace Vice President-elect Hubert Humphrey, Johnson may choose a secretary from Texas. Among those considered to be on the list are Dolph Briscoe Jr., Uvalde rancher, and Sterling C. Evans, Houston farmer and rancher who heads the Texas A&M University board of directors.

LATE INAUGURAL
Gov. John Connally may have a late inauguration. Ceremonies likely will be postponed from Jan. 19, when he normally would take oath of office, to Jan. 26. Postponement, ramrodded by the State Democratic Executive Committee, is aimed at helping Texans arrange their schedules so they can attend inauguration ceremonies for both President Johnson and Governor Connally.

Presidential inauguration is fixed at Jan. 20 and thousands of Texans plan to attend. Many prominent political figures would have to pass up Connally's swearing-in to reach Washington on time for Johnson's ceremonies. Besides, the President wants Governor and Mrs. Connally there.

SDEC will call on members of the Legislature to co-sponsor a joint resolution to postpone the governor's inauguration. If a majority of lawmakers sign, the Texas inaugural committee will go ahead with its plan to push back the Connally swearing-in date. A vote of the Legislature would make the change official after lawmakers convene on Jan. 12.

Texas constitution provides that the governor shall be installed on the first Tuesday after organization of the Legislature, "or as soon thereafter as practicable."

COURTS SPEAK
Supreme Court agreed that, to protect the public, the State Department of Public Safety has full authority to suspend driver licenses of motorists found to be habitual traffic violators.

High court declared moot a Starr County Republican candidate's suit to void 650 poll tax receipts in the stormy South Texas county. The GOP office-seeker claimed the poll taxes were neither paid for nor requested by their holders.

A Nov. 25 hearing was set by the Supreme Court on a suit by Trinity River Authority to force the state attorney general to approve a \$12,000,000 bond sale to finance construction of Livingston Dam. Houston voters approved the issue 4-1.

Court of Criminal Appeals ordered new trials in San Antonio and Houston murder convictions in line with a U. S. Supreme Court mandate. Its opinion suggested new guidelines for passing on admissibility of confessions. Trial judges now must hold special hearings where a question exists as to whether a confession was voluntary. They may exclude confessions from a trial or withdraw them from jury consideration if they find that all evidence tends to indicate the confession was not voluntary.

An Austin district court denied an injunction sought by House of Tobacco Inc. of Houston to get back its state permit to distribute cigarettes. Comptroller Robert S. Calvert cancelled the permit after the firm's operator was charged with cigarette tax irregularities.

AG OPINIONS
Attorney General Carr ruled that it would be legal for a commissioner's court to buy a helicopter for the county sheriff, if there is enough money in the right funds. He held that a sheriff may buy any equipment he needs to do his work, but it is up to the commissioners court to decide whether a helicopter comes under "reasonable" expenses. Carr also determined that under a treaty clause, a Mexican consul stationed in Texas and bringing in liquor for use by

consular officials, is not bound by liquor import restrictions (quart per person) applying to Texas citizens.

He concluded that the State Parks and Wildlife Commission has the right to prohibit deer hunting on state-owned dry river beds of Dimmit, Uvalde, and Zavala counties.

SLANT-WELL SUITS
Filing of two civil penalty suits in the 53rd District Court in Austin, for alleged slant-well activities, were made by Atty. Gen. Waggoner Carr.

First to be filed against were J. C. Stroud and W. V. Stroud, both of Rusk County, and G. M. Jordan of Kilgore. Suit involves one well in Rusk County.

Named as defendants in the second suit were the Strouds and M. M. Harding of Kilgore. Second suit involves two wells in Rusk County.

CONNALLY FIRST
Governor Connally was the first Texan to participate in the 1964 Census of Agriculture of the U. S. Department of Commerce. He filled out a census form concerning his ranch operation near Floresville.

Agricultural resources census has been taken every five years since 1840. Data is confidential and can be used only for statistical purposes.

VALLEY MENTAL FACILITY PLEDGED

State Hospital Board was informed that a new inpatient mental treatment facility, for the lower Rio Grande Valley, will be provided in the near future.

Dr. C. J. Ruilman, director of mental health and hospitals, said such a service is under consideration. It is to be patterned after the local-participation "contract care" recently made available in Beaumont, El Paso and Lubbock.

Board members accepted a \$225,000 grant by the Moody Foundation of Galveston to construct a regional diagnostic center for mental retarded children at new Richmond State School. Center was acclaimed by Board Chairman Howard T. Tellepsen as a "major breakthrough in cooperation between state and private agencies to combat mental retardation."

BANK HEARING SET
State Banking Board set hearings for Nov. 24 on appli-

cations for charters by the proposed Northline State and Western State banks in Houston, the Jacinto City Bank at Jacinto City and the Conroe Bank and Trust Company in Conroe.

Nov. 25 hearings were set for the proposed Mercantile Bank and the Stella Link State Bank in Houston.

VET LAND LIST LIMITED
Veterans' Land Board voted that no more names be accepted on its waiting list since funds will not be available to purchase land for veterans not already on the list.

Land Commissioner Jerry Sadler stated that more than 35,000 veteran purchasers will have bought land through the program when it ends in December, 1965. Those already on the list can expect to be reached before the program ends.

CARR TO WASHINGTON
Attorney General Carr made the latest in a series of appearances before the U. S. Supreme Court in Washington, D. C., this week when he argued for the State of Texas in the hearing on John William Stanford Jr. versus the State.

Stanford is the San Antonian who was ordered last December by the Subversive Activities Control Board in Washington to register as a Communist. He is appealing that order in another court.

Appeal Carr is working on involves Stanford's protest that State officials illegally searched his house and took some 2,000 items, including personal effects, without lawful cause.

Stanford is being defended by attorneys for the American Civil Liberties Union.

HUNTING SEASON HINTS
Parks and Wildlife has prepared a new hunting digest. It includes a Texas hunting map which shows where to hunt what and when. The digest, available at most places where hunting licenses are issued, also is available, free, by writing the department in Austin.

Parks and Wildlife is advising hunters to fill out their deer tags carefully and attach to the deer killed.

James S. Hogg, first native-born Governor of Texas, was inaugurated in a simple ceremony lasting only 35 minutes.

FAIRVIEW NEWS

By MRS. ELMER JOINER

The big news this week has been the weather, consisting of rain and more rain, of about two and one half to three inches, in our area, which fell over a period of several days, then Friday night that hard freeze that every one has been looking for so hopefully, killed every thing. After a few weeks to dry out and open the cotton, the strippers will really be busy for a while, since so many farmers have not gathered any cotton, just waiting for this time of the year, so they can get it all at once, saving some on the harvesting. Since cotton is cheap, they have to cut all corners to make a living raising it.

The wheat farmers are all jubilant over the rain, which is just what the little grain needed, since the warm weather had given it a good start. Cattle, that had been destined for market, will now be kept and wintered on the wheat fields.

Words fail to express our sympathy to the Drake family, in the sorrow that has befallen them. Last Friday, Mrs. Buck Richie, the former Catherine Drake, had her other foot amputated, in Tulsa, Okla. An infection had developed, that failed to heal, causing it to have to be removed, just as the other one did, several years ago. After having been fitted with an artificial limb she had been able to walk, almost as good as ever, but it will be harder with both, but we know with her determination it can be done.

Our Thanksgiving supper turned out real good, last Friday night, in our new room we have prepared. An abundance of good food was served to 35 people, followed by a suitable Thanksgiving program. Visitors present were: Mr. and Mrs. M. S. Johnson, Mrs. John Dutton and Lillie, Leann Vaughan, Mrs. Mary E. Tanner and Jimmy Joiner, Ronald and Jeannie. The devotional was brought by Mrs.

Tanner, who reminded us that even though Thanksgiving is an American custom, not celebrated by any other country, we should always pause in our busy lives and give thanks to our creator, that we do live in a land of plenty.

Mr. Ford went home from the hospital, last Friday, after spending two weeks there, but is not feeling very good at this time.

Mrs. Jimmy Joiner is also still in the hospital, but is improving, and hopes to be out in a few days.

We also learned that Mrs. Cricket Fomby, who has been in the hospital for some time, will get to go home soon. She has been fortunate in that she is regaining the use of her speech and limbs, after having suffered a stroke.

An account was printed in the Abilene paper last week, of the death of Elvis Foote, a resident of that city. Mr. Foote grew to manhood in this area and will be remembered by all those that attended the old Abbie school.

Mr. and Mrs. Woodrow Gooch visited with the Drake family Sunday afternoon.

Visiting Mr. and Mrs. Joe Ford were, Mr. and Mrs. Flavil Holmes and Melinda Wright. Mr. and Mrs. H. L. Ford and Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. Fred Rosenbaum visited with Mr. and Mrs. Joe Bonds Jr. Sunday afternoon. They reported Mr. Bonds as being able to be up and walk about, after having back surgery the week before, or two weeks almost, to be exact.

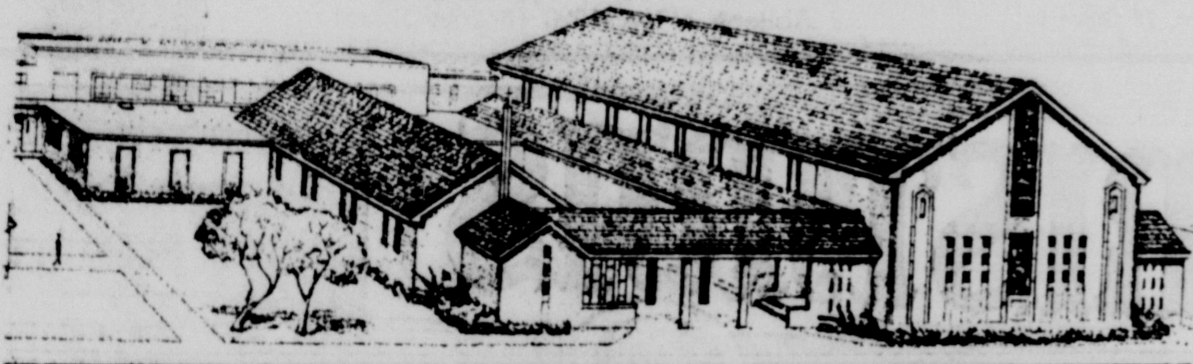

Mr. and Mrs. Jimmy Henry, Judy and Cathy, accompanied by a friend, Becky Worley, all of Midland, were visitors in the Henry home Sunday. Mr. and Mrs. Henry had been to Rule, where they attended homecoming for the High School, where they both graduated.

Mr. and Mrs. Winson Gray visited with the Fred Rosenbaums, Sunday afternoon.

Tuesday guests of Mrs. E. A. Henry were her sisters, Mrs. Obie Wright, of Rotan and Mrs. Lois Stuart, Aspermont. Mr. Stuart recently passed away after an extended illness.

Sunday afternoon visitors of the Henry's was Miss Georgia Thorton, of Stamford.

We wish to extend Thanksgiving greetings to all that read this, lets not forget to be thankful that we do live in a free country.

Central Avenue Baptist WMS Holds Oriental Tea

The Women's Missionary Society of Central Avenue Baptist Church held an oriental tea as they studied about Korea. Nine women sat on the floor around an oriental tea table as they sipped tea and ate chow mein candy. Korean flags were used as place cards, and souvenirs of Korea adorned the table. Korea as the land of Morning Calm was presented by a mission tour of the major cities. Personal experiences and needs of the people were discussed in this unusual setting.

The women plan a "quilting bee" next week to prepare quilts for Latin Americans.

Dorcas Class Holds Thanksgiving Turkey Dinner

The Dorcas Sunday School Class of the First Baptist Church met in the home of Mr. and Mrs. Claude Crowley for their annual Thanksgiving turkey dinner.

Mrs. Etta Stephenson, a visitor, gave the opening prayer. Another guest, Mrs. Gertrude Routh gave the devotional.

Others present were Mmes. Allie Rector, Eula Davis, Ellie Meeks, Lillie Rogers, Lila Moore, Pearl Matthews, Zella Davis, Olivia Caughan, W. L. Boyd, O. L. Jenkins, R. L. Milstead, Dixon, and the hostess, Mrs. W. A. Albritton was a guest.

The offering taken for the Lottie Moon Christmas offering totaled \$16.21. A box for a needy family was also filled.

Barbara Graham, Larry Simpson
Honored at Football Banquet

By NANCY FORD
CAROLYN REYNOLDS
MAROLYN REYNOLDS

Barbara Graham, pep squad head majorette, and Larry Simpson, football co-captain, were crowned Football Sweetheart and Football Hero by Nancy Ford and Robert Pearce, after weeks of anticipation and anxiety on the part of the entire student body. After introducing the theme, "Welcome to Piper Land," Barbara Graham, toastmistress, requested Larry Simpson to give the invocation and David Drummond, "Band President," to lead in the Pledge of Allegiance. Following the meal, Mary Lois Patterson, Band Drum Major, welcomed the students, faculty, and guest speaker, Bill McClure, head track

coach at A.C.C. Johnny Overman, football co-captain, gave the response. A chorus of 25 pep squad members sang "This Land Is Your Land," and the Stage Band furnished the other entertainment with several songs. With mixed emotions, the seniors ended their last football banquet as the group sang "The Piper Song."

"The rings are here! The rings are here!" This was the cry of many of the Senior class of H.H.S. as the senior rings were issued Monday, Nov. 23. A stepping stone toward graduation, the senior rings are always received with great joy.

The homemaking classes of H.H.S. presented a style show for the girls, mothers, and other visitors on Monday, Nov. 23. The show was under the supervision of Mrs. Camille Simmons and was narrated by Carolyn Reynolds.

The show was climaxed by the announcement of the county winners of the Make-it-Yourself-With-Wool Contest. Avoca, Hawley, and Hamlin were represented in the contest. The winners were: first, Mary Lois Patterson; second, Pat Myers, Avoca; third, Nancy Ford;

first alternate, Juanita Rios, Avoca; second alternate, Judy Jenkins; and third alternate, Sherilynne Witt.

-hhs-

The students of H.H.S. are anticipating the short week in school, the Thanksgiving holidays, and the lack of homework over the holidays. It is too bad that school must begin again on Monday, resuming the long, hard grind of school.

AUSTIN, Tex. — The Texas Safety Association reminds hunters to be sure of the target before firing. Never shoot at objects seen only indistinctly among trees or bushes. Make sure no barn or other building is in the line of fire.

Frost Can Mean
Trouble for Stock
Agent Warns

By Kirby Clayton

Frost can be expected soon in most areas of the state, and this could mean trouble for Texas livestock producers, says Jones County Agent, Kirby Clayton. Johnsongrass and sorghums often develop a high prussic acid content after a frost and if grazed by livestock, can cause a lot of trouble, warns Clayton.

Certain chemical changes occur in frost-wilted plants that are responsible for the prussic acid development, Clayton explains. The poison acts quickly and can kill an animal within a short time after the damaged

plant is eaten. Whether or not a poisoned animal can be saved generally depends upon how quickly a veterinarian can be consulted.

Frosted Johnsongrass or sorghums should not be grazed until they are completely dry, warns Clayton. However, those ready to cut for hay at the time of frost damage may be clipped the first day after frost if complete curing precedes baling.

Frost-wilted plants may also be used for silage, Clayton points out. Generally enough prussic acid is lost during the ensiling process to make it safe for livestock. However, animals should not be allowed to self-feed from a silo filled with frost-wilted forages. If there is

any doubt about the silage, it should be tested by the local veterinarian or by feeding such silage to one or two inferior animals.

For more details on grazing, harvesting and storing of frost-wilted plants, contact your county agent or local veterinarian.

Cattle raisers entered the Stephen F. Austin colony under the early Mexican Colonization Laws for Texas received a league of land consisting of 4,428 acres.

Work to Start Saturday on Toys Donated to Camp Fire Girls' Drive

A large number of toys are being given to the Hamlin Camp Fire Girls to be prepared for needy children at Christmas.

Work will begin on the toys in the Albritton Building on South Central Saturday afternoon. All volunteers who can help with the project even though they are not involved with Camp Fire are urged to attend.

A great need will be dressing dolls. Anyone who can pick up dolls to be dressed are asked to do so Saturday afternoon.

Mrs. Miller Harmon, chair-

man of the project, reminds that there are only four more weeks until Christmas and all the help that they can get will be needed. Those unable to be at the work session Saturday may contact Mrs. Harmon or Mrs. Roy Thompson to pick up toys to be repaired at their convenience.

Another needed item mentioned by Mrs. Harmon was odds and ends of paint that could be used to touch up the toys. Extra wheels, axles and other items which can be used to repair wheel toys would also be appreciated.

B&PW Club To Sponsor Lighting Contest

The Christmas decoration contest for business houses and residences is being sponsored this year by the Hamlin Business and Professional Women's Club, according to the president, Miss Lennie Greenway.

Awards will be given to the three top decorations in two categories, homes and businesses.

The displays will be judged by out of town judges on basis of artistic merit, originality, lighting technique and ingenuity.

Businesses are asked to have their displays ready by the Dec. 5 parade. Deadline for application in the contest for both businesses and homes is Dec. 15. Entry blanks may be secured at the Board of Community Development office and are to be turned in there before the deadline.

West also indicates that he will try to have a speaker from the Texas A & M Entomology Department to bring information on the technical aspects of the program.

The county meeting is sponsored by Jones County Farm Bureau and all cotton farmers are urged to attend.

Refreshments will be served by three Anson gins.

Also included in the training was extensive military drill, first aid, swimming, water survival tactics, and physical fitness.

Upon completion, he was granted a 14-day leave before reporting to his new duty station or service school.

Mr. and Mrs. M. R. Baldree of Holiday Lodge had visitors during the week from Abilene, Aspermont, Hamlin, Radium and Old Glory. Also a daughter, Mrs. J. C. Wright, of Little Rock, Ark. and Mrs. J. M. Seminar on National Security To be Held at Hardin-Simmons

An informative seminar on National security, reporting U. S. strengths and weaknesses, threats to the Free World, and problems of survival is planned December 7-18 at Hardin-Simmons University in Abilene.

Only scheduled one in Texas this year, the two-week lectureship is given by highly-qualified military officers. Open to everyone, the seminar is an updated version of one given in Odessa during 1963.

More than 200 persons have already registered, with spaces left for possibly 1300 more attendees.

No secret or classified information is divulged but studies cover a broad field. Countries and continents discussed will include Captive Europe, Russia, Africa, the Far East, and Free Europe.

The course is a two-week condensation of the ten-month school given in Washington D. C. for selected officers by the Industrial College of the Armed Forces.

Lecturers are drawn from the Air Force, Army, Navy and Marine Corps. Facts disclosed during earlier forums this year include:

Sixty-two cents of each budget dollar goes to finance national security. In hard cash that's \$51 billion for the military and \$10.2 billion for military assistance, NASA, Atomic Energy Commission, international programs and space.

A defensive weakness of the U. S. lies in its population concentration—four out of five persons live in the cities.

Also, seventy-one per cent of our defense production is sited within fifty cities.

Mr. and Mrs. Bob Craig were in Lubbock over the week end for Mr. Craig to attend a board of directors meeting of the West Texas Press Association Sunday afternoon. He is second vice president of the association.

Agent Warns of Arsenic Acid Poisoning

By Kirby Clayton

Jones County Agent Kirby Clayton cautioned Jones County Livestock producers against grazing cotton fields or fields adjoining cotton fields which have been treated with arsenic acid. Several head of cattle have died in the county during the past week from what authorities believe to be arsenic acid poisoning. The poison was picked up from fields adjoining cotton fields which had been previously sprayed with arsenic acid for defoliation purposes.

Clayton says that small amounts of arsenic can cause symptoms and even death to cattle and that farmers should use precaution and not apply the desiccant during high winds which would result in drift to adjoining fields. Cattle should not be allowed to graze cotton fields which have been defoliated with arsenic acid or on adjoining fields where drift is likely to have occurred.

Once cattle have received the poison, there is no economical treatment says the agent. The best treatment, says the agent, is to confine the cattle to clean fields or dry lots, give plenty of good dry roughage, and wait for natural recovery.

David Bonds in Who's Who

David Bonds, a McMurry senior from Hamlin, has been chosen as one of twenty-seven students to be listed in "Who's Who Among Students in American Universities and Colleges."

Bond's a P. E. and history major, is the son of Mr. and Mrs. L. C. Bonds of Hamlin. At McMurry, Bonds is active in Football and track.

Mr. and Mrs. Norman Current and two children visited in the home of Mr. and Mrs. J. C. Dawkins last week end. They have just returned from Germany and are on their way to Okinawa.

Mr. and Mrs. Dan Trulove, Daniel and Tony, visited their parents, Mr. and Mrs. G. W. Burt of Midland this week end. Tony remained with his grandparents to visit until Thanksgiving.

tries this year is coach L. B. Howard's fine Baird High School team, which captured the state class A title last season, and Coach Ralph Newton's top Trent High School team, which returned from Austin with the state class B championship last year. These teams met in the Dyess 1963 finals. Baird won 59-57 in the last seven seconds.

Sundown High School, only contender to take a Dyess championship two times, returns for a third title attempt. Sundown did not participate in 1963, because of a schedule conflict. Sundown captured the state class A championship for three years in a row, took the Dyess title in 1961 and 1962.

Newcomers in the Dyess 1964 event will be Canutillo High School, from the El Paso area, and regional finalists at Lubbock last year; Lueders High School, which captured fourth place in Class B action last year, and El Dorado High School, 1963-64 bi-district class A champions.

Eleven of the teams participating at Dyess this year won their conference title last season. Mildren stated, and four participated in the state basketball tournament at Austin. The outlook for Dyess was such that "No other tournament in the state can boast such a lineup of star players and teams."

Mrs. Mary Wright of Holiday Lodge was visited during the week end by five of her seven children for an early Thanksgiving gathering. The visitors included Mr. and Mrs. L. D. Wright of Abilene; Mr. and Mrs. Willis Wright of Odessa; Mr. and Mrs. Boss Smith and Jackie of Hamlin and grandchildren, Mrs. G. R. Martin and children of Odessa; Mrs. Carol Phipps and boys of Abilene and Mr. and Mrs. Ronnie Wright of Odessa.

Jimmy S. Inzer, son of Mr. and Mrs. J. S. Inzer, was recently promoted to Cadet Sergeant First Class at New Mexico Military Institute.

THANKSGIVING DAY 1964

LET US GIVE THANKS FOR THE BOUNTY OF THIS GREAT LAND

OLD GLORY ...

By JUDY WHITE

Remarkable interest was shown in the Adult Education Class conducted by Betty Sadberry, Old Glory School Homemaking teacher, when 26 ladies were present at the first meeting last Thursday, Nov. 19.

Only eight girls were enrolled in Homemaking in Old Glory High School when upon the advice of a representative of the Texas Education Agency, Miss Sadberry decided to utilize her extra time with an adult class.

Classes are held every Thursday from 2:30 to 4:30 p.m. Last week the group learned how to make a wide variety of very attractive decorations for Christmas. The next class will be held on Dec. 3. At that meeting Miss Sadberry plans to show the group various ways to wrap Christmas packages.

The Old Glory community was represented by Allen Davis at a recent meeting in Haskell where Dr. B. W. Musgraves of the Texas Education Agency, explained the mechanics of establishing a public junior college for the four county area consisting of Haskell, Stonewall, Knox and Throckmorton counties.

Wet weather prevented members of the county board and other interested citizens from attending the meeting, but a meeting will be held here in the county soon.

Mr. and Mrs. Joe Jones moved to Aspermont last Friday. They have lived in this community for many years and we regret very much to lose this fine couple.

Welcome rains fell on the Old Glory Community last week. About two inches fell here.

Mrs. Katie Gerloff is in Abilene this week visiting her son and wife the Raymond Gerloffs. She plans to spend Thanksgiving holidays there.

Travis Beil has returned from Ft. Worth. He was called there to be with his niece, the former Mary Nix Shield, who underwent brain surgery for removal of a tumor. Mr. Beil reported that his niece's operation was a success and she is recovering satisfactorily.

Mr. and Mrs. R. L. Snider and son, Scottie, of Lubbock, have been visiting their relatives, the A. R. Sawyers family, and others. They returned home Sunday afternoon.

Old Glory basketball teams swept two double victories from Noodle last week. On Tuesday night, here in the local gym, our boys won 60-39 and the girls 82-23.

On Friday night our teams went to Noodle and were again victorious.

LET'S NOT FORGET THIS ...

"And she shall bring forth a son, and thou shalt call his name Jesus: for he shall save his people from their sins." Matthew 1:21.

For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

"For God sent not his Son into the world to condemn the world, but that the world through him might be saved." John 3:16, 17.

We invite you to celebrate the birth of our Saviour by attending church this week, and by spreading good will everywhere you go.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Kimi Mehaffey Elected President Smiling Blue Birds

Kimi Mehaffey was elected president of the Smiling Blue Birds at their meeting Nov. 17. Other officers elected were Rebecca Server, secretary; Vickie Ponder, reporter; Jacques Preiss and Lynda Harrison, clean-up committee.

Elections are held every six weeks in order that the girls are given equal opportunity to hold a position of responsibility and to learn accordingly. Refreshments were served before the election by Mrs. Doyle Ponder. Games were played to conclude the meeting.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — International attention came to Austin as Pres. Lyndon B. Johnson carried on the nation's business while resting from his campaign.

President-elect Gustavo Diaz Ordaz of Mexico flew in for in-

formal discussions at the LBJ Ranch. President and Mrs. Johnson arranged a barbecue in appreciation of the strong support given his candidacy by Americans of Mexican ancestry.

Latin-Americans from Texas, New Mexico, California, Kan-

sas, Oklahoma and Louisiana were invited to the affair. Heaviest representation came from cities of South Texas where LBJ majorities were rolled up.

Top business leaders from Houston, Dallas, San Antonio and Los Angeles also were on the select lists of guests. All were entertained by Milton Berle, Eddie Fisher and Gene Autry. Also by Clint Harlow's sheep-dog troupe and a bevy of Mexican musicians and singers.

There was talk of a possible change in a cabinet post vital to Texans — that of secretary of agriculture.

If Orville Freeman should be named senator from Minnesota to replace Vice President-elect Hubert Humphrey, Johnson may choose a secretary from Texas. Among those considered to be on the list are Dolph Briscoe Jr., Uvalde rancher, and Sterling C. Evans, Houston farmer and rancher who heads the Texas A&M University board of directors.

LATE INAUGURAL
Gov. John Connally may have a late inauguration.

Ceremonies likely will be postponed from Jan. 19, when he normally would take oath of office, to Jan. 26.

Postponement, ramrodded by the State Democratic Executive Committee, is aimed at helping Texans arrange their schedules so they can attend inauguration ceremonies for both President Johnson and Governor Connally.

Presidential inauguration is fixed at Jan. 20 and thousands of Texans plan to attend. Many prominent political figures would have to pass up Connally's swearing-in to reach Washington on time for Johnson's ceremonies.

Besides, the President wants Governor and Mrs. Connally there.

SDEC will call on members of the Legislature to co-sponsor a joint resolution to postpone the governor's inauguration.

If a majority of lawmakers sign, the Texas inaugural committee will go ahead with its plan to push back the Connally swearing-in date. A vote of the Legislature would make the change official after lawmakers convene on Jan. 12.

Texas constitution provides that the governor shall be installed on the first Tuesday after organization of the Legislature, "or as soon thereafter as practicable."

COURTS SPEAK

Supreme Court agreed that, to protect the public, the State Department of Public Safety has full authority to suspend driver licenses of motorists found to be habitual traffic violators.

High court declared moot a Starr County Republican candidate's suit to void \$50 poll tax receipts in the stormy South Texas county. The GOP office-seeker claimed the poll taxes were neither paid for nor requested by their holders.

A Nov. 25 hearing was set by the Supreme Court on a suit by Trinity River Authority to force the state attorney general to approve a \$42,000,000 bond sale to finance construction of Livingston Dam. Houston voters approved the issue 4-1.

Court of Criminal Appeals ordered new trials in San Antonio and Houston murder convictions in line with a U. S. Supreme Court mandate. Its opinion suggested new guidelines for passing on admissibility of confessions. Trial judges now must hold special hearings where a question exists as to whether a confession was voluntary. They may exclude confessions from a trial or withdraw them from jury consideration if they find that all evidence tends to indicate the confession was not voluntary.

An Austin district court denied an injunction sought by House of Tobacco Inc. of Houston to get back its state permit to distribute cigarettes. Comptroller Robert S. Calvert cancelled the permit after the firm's operator was charged with cigarette tax irregularities.

AG OPINIONS

Attorney General Carr ruled that it would be legal for a commissioners court to buy a helicopter for the county sheriff, if there is enough money in the right funds.

He held that a sheriff may buy any equipment he needs to do his work, but it is up to the commissioners court to decide whether a helicopter comes under "reasonable" expenses.

Carr also determined that under a treaty clause, a Mexican consul stationed in Texas and bringing in liquor for use by

consular officials, is not bound by liquor import restrictions (quart per person) applying to Texas citizens.

He concluded that the State Parks and Wildlife Commission has the right to prohibit deer hunting on state-owned dry river beds of Dimmit, Uvalde, and Zavala counties.

SLANT-WELL SUITS

Filing of two civil penalty suits in the 53rd District Court in Austin, for alleged slant-well activities, were made by Atty. Gen. Waggoner Carr.

First to be filed against were J. C. Stroud and W. V. Stroud, both of Rusk County, and G. M. Jordan of Kilgore. Suit involves one well in Rusk County.

Named as defendants in the second suit were the Strouds and M. M. Harding of Kilgore. Second suit involves two wells in Rusk County.

CONNALLY FIRST

Governor Connally was the first Texan to participate in the 1964 Census of Agriculture of the U. S. Department of Commerce. He filled out a census form concerning his ranch operation near Floresville.

Agricultural resources census has been taken every five years since 1840. Data is confidential and can be used only for statistical purposes.

VALLEY MENTAL FACILITY PLEDGED

State Hospital Board was informed that a new inpatient mental treatment facility, for the lower Rio Grande Valley, will be provided in the near future.

Dr. C. J. Ruilmann, director of mental health and hospitals, said such a service is under consideration. It is to be patterned after the local-participation "contract care" recently made available in Beaumont, El Paso and Lubbock.

Board members accepted a \$225,000 grant by the Moody Foundation of Galveston to construct a regional diagnostic center for mental retarded children at new Richmond State School. Center was acclaimed by Board Chairman Howard T. Tellepsen as a "major breakthrough in cooperation between state and private agencies to combat mental retardation."

BANK HEARING SET

State Banking Board set hearings for Nov. 24 on appli-

cations for charters by the proposed Northline State and Western State banks in Houston, the Jacinto City Bank at Jacinto City and the Conroe Bank and Trust Company in Conroe.

Nov. 25 hearings were set for the proposed Mercantile Bank and the Stella Link State Bank in Houston.

VET LAND LIST LIMITED

Veterans' Land Board voted that no more names be accepted on its waiting list since funds will not be available to purchase land for veterans not already on the list.

Land Commissioner Jerry Sadler stated that more than 35,000 veteran purchasers will have bought land through the program when it ends in December, 1965. Those already on the list can expect to be reached before the program ends.

CARR TO WASHINGTON

Attorney General Carr made the latest in a series of appearances before the U. S. Supreme Court in Washington, D. C., this week when he argued for the State of Texas in the hearing on John William Stanford Jr. versus the State.

Stanford is the San Antonian who was ordered last December by the Subversive Activities Control Board in Washington to register as a Communist. He is appealing that order in another court.

Appeal Carr is working on involves Stanford's protest that State officials illegally searched his house and took some 2,000 items, including personal effects, without lawful cause.

Stanford is being defended by attorneys for the American Civil Liberties Union.

HUNTING SEASON HINTS

Parks and Wildlife has prepared a new hunting digest. It includes a Texas hunting map which shows where to hunt what and when. The digest, available at most places where hunting licenses are issued, also is available, free, by writing the department in Austin.

Parks and Wildlife is advising hunters to fill out their deer tags carefully and attach to the deer carcass.

James S. Hogg, first native-born Governor of Texas, was inaugurated in a simple ceremony lasting only 35 minutes.

MAKE SURE YOUNGSTERS KNOW THEIR GUNS

AUSTIN, Tex. — The Texas Safety Association urges parents to make sure certain young hunters have a thorough working knowledge of guns before allowing them to take to the field. See that proper clothing is worn for visibility and see that youngsters have formed safe attitudes and habits in carrying and handling firearms.

Sorry to disturb you but some folks across the field asked for electric service. Midwest Electric Cooperative, Inc. has a covenant to offer area coverage and when they asked for service we took the most direct route to their home. While we realize we have disturbed you, just think what electricity will mean to these people. It has brought a new way of life to thousands of rural people. Uses for electricity are multiplying like . . . if you'll excuse the expression . . . like rabbits. And Midwest Electric Cooperative, Inc. must stay ahead of demand, so dig another burrow close by. You'll be safe there . . . until the next rural family calls for service.

FAIRVIEW NEWS

By MRS. ELMER JOINER

The big news this week has been the weather, consisting of rain and more rain, of about two and one half to three inches, in our area, which fell over a period of several days, then Friday night that hard freeze that every one has been looking for so hopefully, killed everything. After a few weeks to dry out and open the cotton, the strippers will really be busy for a while, since so many farmers have not gathered any cotton, just waiting for this time of the year, so they can get it all at once, saving some on the harvesting. Since cotton is cheap, they have to cut all corners to make a living raising it.

The wheat farmers are all jubilant over the rain, which is just what the little grain needed, since the warm weather had given it a good start. Cattle, that had been destined for market, will now be kept and wintered on the wheat fields.

Words fail to express our sympathy to the Drake family, in the sorrow that has befallen them. Last Friday, Mrs. Buck Richie, the former Catherine Drake, had her other foot amputated, in Tulsa, Okla. An infection had developed, that failed to heal, causing it to have to be removed, just as the other one did, several years ago. After having been fitted with an artificial limb she had been able to walk, almost as good as ever, but it will be harder with both, but we know with her determination it can be done.

Our Thanksgiving supper turned out real good, last Friday night, in our new room we have prepared. An abundance of good food was served to 35 people, followed by a suitable Thanksgiving program. Visitors present were: Mr. and Mrs. M. S. Johnson, Mrs. John Dutton and Lillie, Leann Vaughan, Mrs. Mary E. Tanner and Jimmy Joiner, Ronald and Jeannie. The devotional was brought by Mrs.

Tanner, who reminded us that even though Thanksgiving is an American custom, not celebrated by any other country, we should always pause in our busy lives and give thanks to our creator, that we do live in a land of plenty.

Mr. Ford went home from the hospital, last Friday, after spending two weeks there, but is not feeling very good at this time.

Mrs. Jimmy Joiner is also still in the hospital, but is improving, and hopes to be out in a few days.

We also learned that Mrs. Cricket Fomby, who has been in the hospital for some time, will get to go home soon. She has been regaining the use of her speech and limbs, after having suffered a stroke.

An account was printed in the Abilene paper last week, of the death of Elvis Foote, a resident of that city. Mr. Foote grew to manhood in this area and will be remembered by all those that attended the old Abbie school.

Mr. and Mrs. Woodrow Gooch visited with the Drake family Sunday afternoon.

Visiting Mr. and Mrs. Joe Ford were, Mr. and Mrs. Flavil Holmes and Melinda Wright, Mr. and Mrs. H. L. Ford and Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. Fred Rosenbaum visited with Mr. and Mrs. Joe Bonds Jr. Sunday afternoon. They reported Mr. Bonds as being able to be up and walk about, after having back surgery the week before, or two weeks almost, to be exact.

Mr. and Mrs. Jimmy Henry, Judy and Cathy, accompanied by a friend, Becky Worley, all of Midland, were visitors in the Henry home Sunday. Mr. and Mrs. Henry had been to Rule, where they attended homecoming for the High School, where they both graduated.

Mr. and Mrs. Winson Gray visited with the Fred Rosenbaums, Sunday afternoon.

Tuesday guests of Mrs. E. A. Henry were her sisters, Mrs. Obie Wright, of Rotan and Mrs. Lois Stuart, Aspermont. Mr. Stuart recently passed away after an extended illness.

Sunday afternoon visitors of the Henry's was Miss Georgia Thorton, of Stamford.

We wish to extend Thanksgiving greetings to all that read this, let's not forget to be thankful that we do live in a free country.

Central Avenue Baptist WMS Holds Oriental Tea

The Women's Missionary Society of Central Avenue Baptist Church held an oriental tea as they studied about Korea. Nine women sat on the floor around an oriental tea table as they sipped tea and ate chow mein candy. Korean flags were used as place cards, and souvenirs of Korea adorned the table. Korea as the land of Morning Calm was presented by a mission tour of the major cities. Personal experiences and needs of the people were discussed in this unusual setting.

The women plan a "quilting bee" next week to prepare quilts for Latin Americans.

Dorcas Class Holds Thanksgiving Turkey Dinner

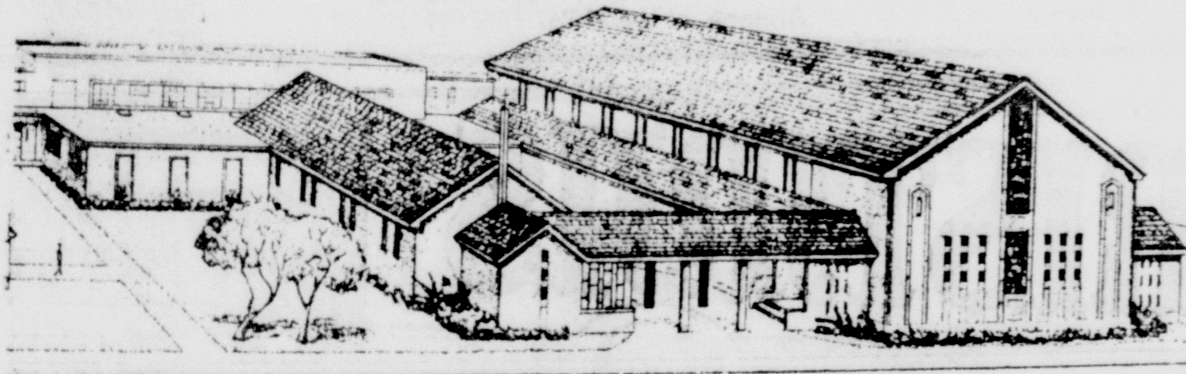

The Dorcas Sunday School Class of the First Baptist Church met in the home of Mr. and Mrs. Claude Crowley for their annual Thanksgiving turkey dinner.

Mrs. Etta Stephenson, a visitor, gave the opening prayer. Another guest, Mrs. Gertrude Routh gave the devotional.

Others present were Mmes. Allie Rector, Eula Davis, Ellie Meeks, Lillie Rogers, Lila Moore, Pearl Matthews, Zella Davis, Olivia Caughan, W. L. Boyd, O. L. Jenkins, R. L. Milstead, Dixon, and the hostess, Mrs. W. A. Albritton was a guest.

The offering taken for the Lottie Moon Christmas offering totaled \$16.21. A box for a needy family was also filled.

Veronal, a sleep-producing drug, was named for Varona, the sleepiest city the discoverer knew.

Barbara Graham, Larry Simpson
Honored at Football Banquet

By NANCY FORD
CAROLYN REYNOLDS
MAROLYN REYNOLDS

Barbara Graham, pep squad head majorette, and Larry Simpson, football co-captain, were crowned Football Sweetheart and Football Hero by Nancy Ford and Robert Pearce, after weeks of anticipation and anxiety on the part of the entire student body. After introducing the theme, "Welcome to Piper Land," Barbara Graham, toastmistress, requested Larry Simpson to give the invocation and David Drummond, "Band President," to lead in the Pledge of Allegiance. Following the meal, Mary Lois Patterson, Band Drum Major, welcomed the students, faculty, and guest speaker, Bill McClure, head track coach at A.C.C. Johnny Overman, football co-captain, gave the response. A chorus of 25 pep squad members sang "This Land Is Your Land," and the Stage Band furnished the other entertainment with several songs. With mixed emotions, the seniors ended their last football banquet as the group sang "The Piper Song."

"The rings are here! The rings are here!" This was the cry of many of the Senior class of H.H.S. as the senior rings were issued Monday, Nov. 23. A stepping stone toward graduation, the senior rings are always received with great joy.

The homemaking classes of H.H.S. presented a style show for the girls, mothers, and other visitors on Monday, Nov. 23. The show was under the supervision of Mrs. Camille Simmons and was narrated by Carolyn Reynolds.

The show was climaxed by the announcement of the county winners of the Make-it-Yourself-With-Wool Contest. Avoca, Hawley, and Hamlin were represented in the contest. The winners were: first, Mary Lois Patterson; second, Pat Myers, Avoca; third, Nancy Ford;

first alternate, Juanita Rios, Avoca; second alternate, Judy Jenkins; and third alternate, Sherilynne Witt.

Frost Can Mean
Trouble for Stock
Agent Warns

By Kirby Clayton

Frost can be expected soon in most areas of the state, and this could mean trouble for Texas livestock producers, says Jones County Agent, Kirby Clayton. Johnsongrass and sorghums often develop a high prussic acid content after a frost and if grazed by livestock, can cause a lot of trouble, warns Clayton. Certain chemical changes occur in frost-wilted plants that are responsible for the prussic acid development, Clayton explains. The poison acts quickly and can kill an animal within a short time after the damaged

plant is eaten. Whether or not a poisoned animal can be saved generally depends upon how quickly a veterinarian can be consulted.

Frosted Johnsongrass or sorghums should not be grazed until they are completely dry, warns Clayton. However, those ready to cut for hay at the time of frost damage may be clipped the first day after frost if complete curing precedes baling.

Frost-wilted plants may also be used for silage, Clayton points out. Generally enough prussic acid is lost during the ensiling process to make it safe for livestock. However, animals should not be allowed to self-feed from a silo filled with frost-wilted forages. If there is

any doubt about the silage, it should be tested by the local veterinarian or by feeding such silage to one or two inferior animals.

For more details on grazing, harvesting and storing of frost-wilted plants, contact your county agent or local veterinarian.

Cattle raisers entered the Stephen F. Austin colony under the early Mexican Colonization Laws for Texas received a league of land consisting of 4,428 acres.
